## 7<sup>th</sup> Transnational Meeting

The 7<sup>th</sup> Transnational Meeting took place in Lordelo. The meeting was held on the 20th – 21st November 2017.

During the first day, the consortium revised the training course to improve some training modules, pictures and videos because as this training as joiner need a very important practical part, because the expert needs to use machines and equipment complicated and dangerous, for this purpose, some parts need the videos to explain this equipment or machines.

Some partners have filmed their own videos to show the machines and the tools as the CFPIMM the Portuguese partner:

## Training Modules

Each partner has developed its training module with its corresponding training units.

- TRAINING MODULE 1: "Preparation and planning"
- TRAINING MODULE 2: "Selection of materials and machines"
- TRAINING MODULE 3: "Processing"
- TRAINING MODULE 5: "Finishing joinery"
- TRAINING MODULE 6: "Installing joinery on-site"
- TRAINING MODULE 7: "Completing work assignment"

The partners are translating the modules contents at their own languages.

Select the module to know if you have the knowledge or not:

Fill out the questions and send and the tool will show you the evaluation and provides the access to the EUROJOINER training material, the user must identify and automatically will receive a code to access to the training material:

## Third Multiplier Event

The third Multiplier Event took place the 21th November 2017 in CFPIMM Lordelo, Portugal.

In this ME participated, people, from business associations, qualified people and teachers.

# EURO JOINER

The participants in this ME have shown great interest in the results of the project, as well as the objectives of the partners participating in this project.

With this activity practically the project is finished, it only lacks the pilot course to evaluate the training material elaborate by the partners.
